

Research Proposal Evaluation Form

Research Proposal Title:	
---------------------------------	----------------

Thank you for serving as a committee member for the course Tourism Research Methodology. Please provide evaluative comments addressed to the advisor (these will not be disclosed to the student authors), as well as detailed comments and recommendations intended for the author(s). Your feedback should be critical yet constructive, focusing on how the weaknesses of the research report can be addressed and minimized. Committee members may also annotate the hard-copy reports that were previously submitted.
